Introduction

I am very pleased to take you through the work that Jesus is doing in this generation through DeLights Of God Ministries. Founded by Moses Maurice Mugerwa alongside his other friends, Delights Of God begun as a fellowship of friends in home gathering.

About DeLights of God

The name DeLights of God is a youthful style naming convention from the phrase “The Lights of God”. We stand to believe that God has called the young people of this generation to light in every aspect of life.

The fellowship was founded in 2007 with the aim of reaching out to the youth and empowering them for ministry so that we can fulfil our mandate Matthew 28:18.

Overtime the fellowship has grown into a ministry that has impacted people outside the confines of the fellowship with expanse in the rural communities around the country.

Our Motto

In His WAY, In His TRUTH, In HIS LIFE

We get this from the scripture John 14:6 “I am the WAY, the TRUTH and the LIFE. No one comes to the father except through me”

We believe in order for us to find the meaning of life we need to be in the way, in the truth and in the life of the Lord Jesus!

Our Vision

“We are DeLights of God, called by His name, chosen for His purpose, to carry the non- extinguishable life giving light across all generations.”

Our Mission

“To holistically empower individuals to live for Christ”

Our Objectives

1. To be individuals lifting up the name of Jesus in every sphere of influence.
2. To form a godly Christian network all over the globe.
3. To promote open accountable relationships that lead to godly marriages.
4. To empower and promote livelihood among members

Our core values

- ❖ *CHRIST*
- ❖ *LOVE*
- ❖ *EMPOWERMENT*
- ❖ *COMMITMENT*

Mode of operation

DeLights of God calendar is categorized by *monthly events* and *annual events*.

Monthly Events

These include:

Overnights

These happen every first Friday of the month. We gather between 9 pm and 6 am to worship, seek the face of the Lord and study His word. These overnights are aimed at growing and nurturing our spiritual lives and they happen in an agreed home.

Home Visit

We visit different homes of our members as a way of connecting and knowing each other better.

During the visits, we talk about real life matters that affect us; we deal with topics like sexuality, addictions, morals, business and many others. The aim is to impact our well-being.

Home visits happen every last Sunday of the month between 2pm and 6pm

Annual Events

Annual LOVE DINNER

As part of our „in reach effort“ we put so much emphasis on young people relating purposefully for marriage. In this we encourage openness as a way of accountability and helping each other to enjoy our relationships in a godly way.

By God’s grace, we have a number of couples we have supported to walk down the aisle and are currently enjoying their marriages. We look forward to so many more joining the beautiful institution of marriage. We believe in having a GODLY art of friendship, art of attraction, art of courtship and art of marriage.

The LOVE DINNER is a “place” where we choose to have a „LOVE“ atmosphere in a Christian setting, couples that are intentional, singles with a purpose and those at friendship terms come together to be inspired to build and enjoy GODLY RELATIONSHIPS and marriages.

This usually happens in the month of February at a venue which the preparation team decides.

School Outreaches

As a way of empowering the young people, we visit schools that welcome us. During these outreaches, we inspire, motivate and equip students in the different aspects of life like career guidance, inspiring them in way of the Lord.

Annual Get Together

After a very lengthy and tiring year, we take off some time not just to party with our families but also to celebrate the great things Jesus has done throughout the year.

DeLights of God members, friends and families come to celebrate life together. This is an opportunity for members from all around the nation to meet.

This get together usually happens at the end of the year.

Annual CAMP

This is one of our core activities that happen in Delights of God. The camp has three core aspects:

MISSION

We extend the LOVE of Jesus by caring for communities that are disadvantaged especially in the rural areas. We go into the communities, share the word of Jesus through evangelism and care for people’s physical needs in the least but excellent way possible.

CAMP

Usually we become residents for a number of days in an area away from the urban centers and we do camp related activities that help us and the communities around.

RETREAT

After the long year, we use this time away from home to refresh and rejuvenate as we prepare for the New Year.

In addition to the above, we use these camps to evaluate our year as Delights Of God and to establish our way forward into the new year.

These camps are an opportunity to get away from the usual surroundings to hear from God, experience His incredible power, extend His love to the community and learn from each other.

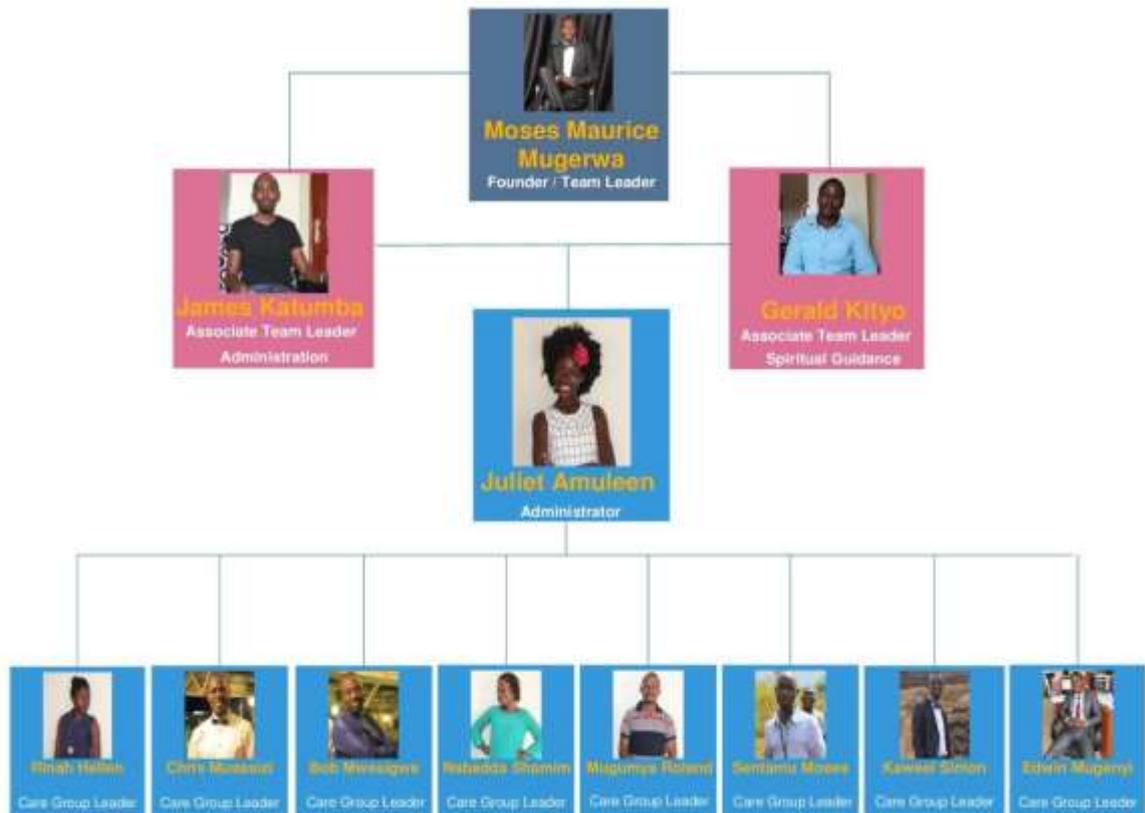

The camp is a five day program that happens every year usually between 26th and 30th December. The venue is usually decided and agreed upon.

MANAGEMENT AND CONTROL

Leadership and Management Structure

Financial Component

DeLights Of God currently obtains its financial support from within its members and a few friends who have benefited from what God has allowed us to do.

We believe and pray that we shall get financial partners as we carry this cause forward.

The Future and Opportunity

Uganda is referred to as a “young” nation with over two thirds of its population between the age of 12-40. This has led to a number of misfortunes not only in families but in the country at large. Whereas it is so, a few initiatives have come up to address this situation, putting them in a proper line; the way of the Lord.

We at Delights Of God have a desire to see this problem solved. With all needed support, and God by our side, we shall get to the peak.

How To Partner With Us

In order to achieve everything that we have lined up as a ministry, we need other individuals and organisations to partner with us.

Call for financial donations, aid and grants Call for church and ministry partnerships

Call for employers partnerships

Call for school partnerships

Call for ministry opportunity especially in the rural centers.

CONCLUSION

God begun a very good work through Delights Of God ministry.

We hereby invite you on board to partner with us, pray with us and support us as we take this forth.
